A nice, relaxed Sunday hike. Did the middle and lower sections. All the anchors were in good shape. (traduction alternative)

All the cracks are io. Unfortunately, almost all the water is drained away at the entry to the int. section. The int. section is a nice extension of the inferior section. (traduction alternative)

Petite descente vraiment sympa. Une crue a nettoyée le canyon dernièrement, c'est tout propre. Pas de vasque profonde.

Seven of us in the canyon. As some slides and the jump at the exit were not feasible, we missed anchors there. Due to the north-facing orientation, there was rarely any sunshine. Several involuntary mini slides, as the watercourse was very slippery. (traduction alternative)

As it doesn't look nice at the parking lot and entry, we were pleasantly surprised by this little canyon. (traduction alternative)
