Little throughput, 3 m slide shortly after entry and then a 7 m drop into shallow water. No anchors far and wide, necessary protection available, looks different to us, therefore aborted, too bad. On the access fresh hemp break, path, still going well but 20 m scary and unpredictable how much longer (traduction alternative)

Beautiful canyon, with more flow it would be even better

A gem that you should visit if you are in the area! As with Babos Canyon, we took an off-road vehicle to the marked parking lot at the church and walked back to the paved road. (traduction alternative)

Très ludique. Beau mais très peu d'eau en ce moment. Chemin de retour très bien marqué.

Unfortunately, we finished the beautiful canyon in a leisurely 1h20. (traduction alternative)

Ascent as part of the meeting "Wild Albania", entry and exit marked with blue dots (also access and exit paths). Everything ok. (traduction alternative)
