Résumé: (traduction alternative)
Hiking canyon with some rappels, generally dry. In combination with Su Piggiu de Predungianu and the Sa Honhedda 'e Sa Hessa cave, a beautiful adventure scramble

Hydrologie:

Accès: (traduction alternative)
Same approach as for Bidighinzu and Codulone: Coming from Nuoro or Oliena, turn right off the SP46 4.3 km from the point where the eastern exit of Oliena joins the bypass and continue for 2.4 km to the Su Cologone spring. About 200m before reaching the large parking lot, turn right into the Valle di Lanaitto. This is followed by an ascent on a narrow tarred road, which later turns into a sand road. After 4.4 km we come to a Y-junction. We take the one on the left. Where it goes off to the right to the Grotta di sa Oche (2.2 km after the Y-junction), we continue straight ahead on the "main road" to the end of the valley. A few meters further on, the track crosses a dry streambed.

The Su Piggiu de Predungianu (II+) wall ascent from the Codula S'Ozzastru valley is a beautiful but challenging approach option.
On the sand road branching off to the southwest, soon take a path into the Codula S'Ozzastru valley. First next to the canyon, then in the streambed until the dry bed of the Badde Dorone flows in from the left. Continue uphill in the canyon until you can climb under the wall to the left at a cairn. Ascend in a left-hand bend and ascend on a long ledge through the wall. After an exposed slab, keep straight or slightly left and ascend over steep but grippy slabs. Cairns and bolts on the most difficult passages.
At the top, descend keeping right and descend along small cairns into the Badde Dorone valley. After a short descent, you will reach the first abseil point (the path goes left via the Walcholder steps)

From here only downclimb, path left.

Retour: (traduction alternative)
Follow the hiking trail out of the valley to the access road, short downclimbs.
On the way back you pass the sometimes open Sa Honhedda 'e Sa Hessa cave. After the gate, crawl or stoop briefly into a huge hall with a light window 80m above.
