<b>Matériel:</b> Cordes: 2x 55m		
<b>Résumé:</b> (traduction alternative) Very vertical! 200 m drop over several steps.		
<b>Hydrologie:</b>		
<b>Accès:</b> (traduction alternative) From Locarno, drive into the beautiful Maggia Valley --> take the main road through several small villages (watch out for speed cameras!) until you reach the village of Someo. In the village of Riveo, take the first real road "la Geira" to the left. Park at the exit of the road (theoretically you can also drive through the Maggia with a 4x4).		
<b>Approche:</b> (traduction alternative) From the parking lot, follow the path to the left through the Maggia. Keep to the slope, then follow the signpost to the Alzasca hut and follow the path to the bridge. This is the entry point, climb up to the water intake and check the water level. Do not enter if the water is already overflowing or the drain is blocked.		
<b>Tour:</b> (traduction alternative) An approx. 200 m high wall with several small steps, mostly without water due to water catchment		
<b>Retour:</b> (traduction alternative) Exit the stream on the left and follow the path through the stream back to the car.
