All anchors ok. Slightly slippery. Just under 60l/s. Nice water level. Course not walking. Just under 600 hm on 1.6km access. Steep is cool. Renewed at the last belay from the 60 ropes. Watch out here for the 25er in front. Rope course! (traduction alternative)

The cable car cannot currently be used as it has not yet been overhauled. As of 2.1.2025. Unfortunately, those at the winery were unable to provide any precise information as to when it will be available again. (traduction alternative)
