Résumé: (traduction alternative)
Silbergraben is quite a nice canyon, with quartz-streaked limestone forming aesthetic shapes. Aquatic rappel canyon without possible jumps.

Hydrologie:

Accès: (traduction alternative)
The B100 connects Spittal an der Drau and Lienz. In Oberdrauburg turn south onto the 110 towards Kötschach. After the serpentines of the Gailbergsattel, a forest road branches off in a left-hand bend with a bus stop. Park here or 50m further on the right (green check in the map).

Approche: (traduction alternative)
Simply follow the forest road and then descend the steep meadow (dotted red on the map).

Tour: (traduction alternative)
The Silbergraben offers 8 rappelling points with strong water contact in roaring pools. But do not worry, the pools are not deep and do not pose a problem at normal water levels.The finale is an almost 50-meter high waterfall that has considerable risk of falling rocks. There are no emergency exits.

Retour: (traduction alternative)
On the right, shortly after the last cascade, a path leads along the stream. To save yourself the tedious way back along the road, it is advisable to park a second car in Waidach at the turnoff to the silver waterfall. Alternatively, you can stop at the car stop. So take dry clothes with you.

This was the second route I climbed after Frauenbach. The anchors are okay—2 or 3 are pretty old but still hold. Great final waterfall. (traduction alternative)

Automatisch importiert von Descente-Canyon.com für Canyon Gailbergbach Canyon réequipé béton avec doubles points chainé + maillons encore brillant En fonction des crues, des troncs d'arbres jonchent le parcourt mais ça n'empêche pas sa bonne progression. Magnifique C50 + déviation en place pour gérer les frottements À ne pas faire en crues ou après les pluies, les conditions peuvent très vite changer en fonction du debit Magnifique encaissement (Quelle: https://www.descente-canyon.com/canyoning/canyon-debit/22069/observations.html)

Nice canyon, the chains between the anchors are very rusty. We placed a new anchor

A nice canyon with a high, technical last descent. (traduction alternative)

Stands in poor quality, which fits at the high rappel. The parking lot described below is on private land. We had a nice chat with the owners and it was no problem. (traduction alternative)

Unerwartete, schöne, kurze und bequeme Schlucht... gute Wasserführung. Bessere Ausrüstung sollte nachgerüstet werden. Unzureichende Waffen. Route von 3 Personen aus der CanyonEast-Gruppe. (traduction alternative)
