Résumé: (traduction alternative) A fantastic canyon with beautiful rappelling spots and a few jumps. It also features crystal-clear water and a magical setting.		
Hydrologie:		
Accès: (traduction alternative) From Vancouver toward Squamish on Highway 99 to Britannia Beach. Follow Cooper Dr. to the parking lot—where the paved road turns into a gravel road. Space for two vehicles.		
Approche: (traduction alternative) From the parking lot, follow the hiking trail to the entry for about 5 minutes.		
Tour: (traduction alternative) A varied route with slides, jumps, and beautiful rappels in lovely gneiss. There are usually two bolts. When the water level is high, the narrow sections can be easily bypassed. There are plenty of exits in the upper section.		
Retour: (traduction alternative) Exit on the left under the second bridge and head up toward the street.

2026-08-08 Patrik ★★☆☆ 📖★★★★ ⚓★★★★ 🌊 Normale 🍴 Terminé Conditions are good right now. There are plenty of bolts—actually, a bit too many for my taste. We didn't encounter any bears in the canyon. (traduction alternative)
