Because of the berry bushes, it’s a good idea to bring a pair of pruning shears for access. (traduction alternative)

Weapons covered by vegetation given the few steps. In the last rappel visible from the road better to use the left bank belay (double joined by cordon). Top colors in the sun. Photo 1: gorge beginning with plunge pool on the left. Photo 2: puddle halfway down. Photo 3: last rappel from belay on left bank. Photo 4: fascinating corridor. (traduction alternative)
