Résumé: (traduction alternative)
A very short, beginner-friendly, and sunny hike in Val Frison. Four small waterfalls lead to two higher steps.

Hydrologie:

Accès: (traduction alternative)
From Campolongo, take the SP465 road into Val Frison. The road is paved up to a temporary bridge. Park at the turnoff to the left onto a forest road. If the road is closed past the temporary bridge, park before the bridge (additional 15-minute access).

Approche: (traduction alternative)
Head up the marked CAI Trail 344. At about 1,250, turn left at a sharp rightward haipin bend onto a narrow path marked with faint red markings, and follow it down to the gravel bed above the waterfalls.

Tour: (traduction alternative)

A nice, open route worth checking out if you're in the area. It faces east, so it's best in the morning. We've added or improved a few holds. (traduction alternative)
