Hydrologie:

Accès: (traduction alternative)
On the road to Buenavista del Norte, with the car back we will continue towards the lighthouse / Punta de Teno, when we reach p.k. 7 we have a bridge over the ravine of the caves and at the well parking place on the left with the hiking trail that goes up to Teno from the point.
To keep in mind, this road has access restrictions, there is also a bus line.
With the access car, or if we only have one vehicle, again in Buenavista, we leave by the road to El Palmar TF436, just past El Palmar we take the detour to the right to Teno Alto. Once in Teno, we will arrive at the bar Los Bailaderos, here we continue straight on towards Punta de Teno and the cheese factory Flores de Teno. One kilometer before the cheese factory there is a detour to the right that we will not take, a few meters later we can park and if not just before the left curve downhill (with our ravine on the right).

Approche: (traduction alternative)
From the bend we go right along the ridge with our ravine on our right following an old track, a few meters the track turns right and we will go left to the NW, following the ridge a few meters above the ravine, by a little path little marked. When the path reaches the riverbed we will simply have to follow it.

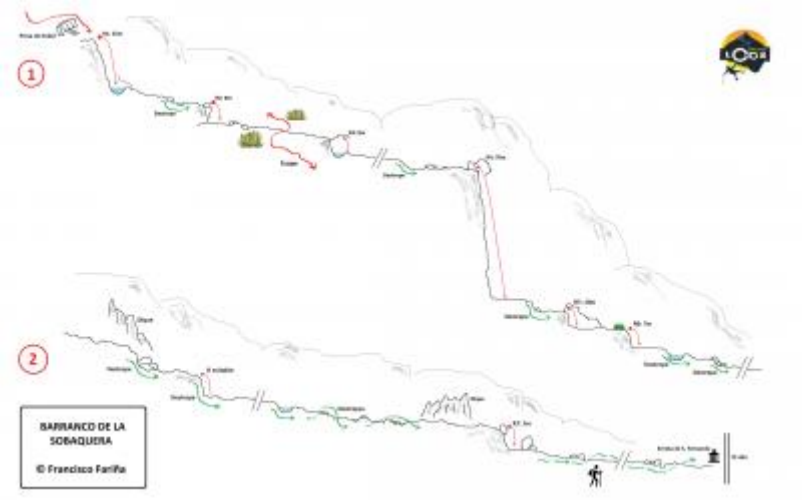

Tour: (traduction alternative)
See mole

Retour: (traduction alternative)
We will follow the path that joins the Cuevas ravine to the road.
If we only have one vehicle we will follow 100m to the path that goes to the left and up to Teno, you can't miss it, we will reach the cheese factory and continue up to our vehicle.
