Résumé: (traduction alternative)
Vertical dry canyon

Hydrologie:

Accès: (traduction alternative)
From the village of Paşali, an initially paved road leads uphill. After a hairpin bend, a dilapidated stone house appears on the left. Park the car here.

Approche: (traduction alternative)
Follow the slope to a fork and follow the slope (several times impassable) over several hairpin bends to the entry. The first cascade is clearly visible.

Tour:

Retour: (traduction alternative)
Follow the stream for about 5 minutes. After a prominent bend to the left, you will recognize the path that leads back to the car.

After the heavy rainfall, this dry gorge was sensational. Beautiful rappels, almost always in the sun. An intermediate stand is unusable, some stands are missing a maillon. (traduction alternative)
