Résumé: (traduction alternative) Little-used "adventure canyon" with some gaps in the equipment. Some interesting passages.		
Hydrologie: (traduction alternative) Medium-sized catchment area, still has a small glacier at the top.		
Accès: (traduction alternative) You can park at the top by the soccer pitch.		
Approche: (traduction alternative) Long walk or about 20 minutes if you are shuttling. Attention, only walk past the shooting range when there is no shooting.		
Tour: (traduction alternative) Again and again beautiful places that are interrupted by blocks. Anchors were re-drilled in October 2025, but some places cannot be protected well, so it is better to have some climbing gear with you.		
Retour: (traduction alternative) At the bridge out to the car, which should be in the village parking lot.
