Résumé: (traduction alternative) Varied rappel and jumping canyon, narrow in places.		
Hydrologie:		
Accès: (traduction alternative) Coming from Florence on the A1, turn onto the SS79 at Orvieto (approx. 140 km from Florence) - a short distance in the direction of Orvieto, then eastwards under the A14, then straight on in the direction of Prodo (18 km from the highway exit, winding). In Prodo, park your car in front of the castle. If you ask at the café in the square, you will be given the key to the disused elementary school where you can change your clothes.		
Approche: (traduction alternative) Between the fort and the adjoining row of houses, a narrow culvert (in a northwesterly direction) leads to an overgrown path that descends southwestward along a wire fence. After reaching a sparse grove, keep left down to the creek, which you reach almost immediately at the canyon entry.		
Tour: (traduction alternative) One of the most popular canyons in central Italy, but it can be without water flow from mid-May. Rappels and jump passages alternate.		
Retour: (traduction alternative) After the canyon widens below the last 7m drop and you have walked through about 100 m of vegetation, you reach the last long pool. From here you can see Prodo again and at its exit a small side ditch comes down from the left. Take absolute care, as this point is almost impossible to see - now you climb up this side ditch for a few meters, then a track emerges from the ditch on the right. Follow this later, keeping slightly to the left, in the direction of the power line. Below this, a clearer path leads uphill towards Prodo, crosses some side streams and leads in serpentine directly to the village. In 2019, this path was sufficiently marked (white-blue AIC markings and it is part of a marked hiking trail) You can also descend about 1 km further along the stream towards Lago di Corbara.

Beautiful central Italian gorge, medium-low flow level, large plunge pools, beautiful forcing; poor dead porcupine reported in early pools. Excellent anchorages. In two 1h 50 run. Possibility of shower at the clubhouse, bring cash :) (traduction alternative)

Une merveille italienne ... Beaucoup de sauts Il y a un gros panneau bleu à la sortie rive gauche de l'encaissement... Ne pas sortir si ça n ne voit pas le panneau... Puis suivre les points de la couleur bleu (Quelle: <https://www.descente-canyon.com/canyoning/canyon-debit/21146/observations.html>)
