Cordes: 2x25m

Résumé: (traduction alternative)
A nice narrow section, a few small jumps, otherwise this canyon is characterized by walking passages. Rather something for collectors.

Hydrologie:

Accès: (traduction alternative)
By car from Salzburg - Bad Reichenhall - continue in the direction of Lofer. Shortly before the border turn off to Melleck. After about 1.5km, directly along the state border comes a bridge over the Steinbach. Park here at the parking lot next to it.

Approche: (traduction alternative)
Directly at the parking lot walk the Fortsstraße along the Steinbach. After more than one kilometer, a bridge leads over the Vorderer Steinbach. Follow the hiking trail uphill and after about 500m turn right onto a clear path. This path leads slightly uphill until you reach a fork after about 700m. There you take the right path in the direction of Steinbach Alm. Shortly before the alpine pasture you can descend into the Steinbach.

Tour: (traduction alternative)
see video!

Retour: (traduction alternative)
Just before you get to the bridge of the access, you can get off on the right on a path. From the bridge back to the car.
