It's worth getting there early to greet a bear. Picturesque canyon (traduction alternative)

We wanted to see if this canyon would be doable when there is no water in it. But immediately at the first pool, there was no way to climb down and no anchorpoint. So we decided not to try our luck. We did a fantastic Nevedio canyon instead.

Automatisch importiert von Descente-Canyon.com für Canyon Grabovica Very nice canyon, lots of arches. We had to add some anchors. Flow high, some water movements, excellent conditions to do it, but very cold water. Easier with a shuttle.
