Anchors (hooks + fixed ropes) all in good condition. A really nice canyon; despite low water levels, the flow is still good. Not technically challenging, but edge protection is often advisable. Canyon duration: 2.5 hours (as a pair) Time to hike out through Zwieselbach: approx. 1 hour (traduction alternative)

I confirm that this canyon is a feast for the eyes. The access is easy to find. Beautiful abseils. We did the Wiesbach Schwarzenbach & Archbach on the long weekend and this was our favorite. (traduction alternative)

Super beautiful stream with currently little water but enough for fun. Nevertheless a feast for the eyes and climbing possibilities at the exit (traduction alternative)
