A very nice canyon with special shapes. Stands were all right, but we couldn't find all 12 (traduction alternative)

Abundant water supply, as always. Excellent equipment. (traduction alternative)

The approach path is not too difficult. Compared to the Ciolesan we did yesterday, much more aquatic, even though it wasn't raining. At anchor point 5, you have to pass under the waterfall in a narrow section and climb onto a siphoned rock behind it. This was easier for us than it looked from above. (traduction alternative)

Excellent new equipment. 11 numbered waterfalls marked with SOS signs. In addition to these, many more breaks and passages have been installed. The passage below the waterfall, marked number 5, is currently deep and flowing. (traduction alternative)

Automatisch importiert von Descente-Canyon.com für Canyon Rio Stuet Parcouru après Ciorosolin, sympa, la faille est superbe et tout s'enchaîne. Belle découverte.... (Quelle: <https://www.descente-canyon.com/canyoning/canyon-debit/23026/observations.html>)

Nice canyon. Convenient approach on the hiking trail. Interesting geology. Well equipped. At least 15 breaks installed, several of which can be climbed down. (traduction alternative)

Short, easy and beautiful tour, several unclimbs, no diving possible (traduction alternative)

The mix of anchors all ok, one of the last ones is a chain behind the corner a step down from the old 2 spits with rope (best not to miss the chain obviously) flow still considerable for the time of year. Done after Ciol del Pes (traduction alternative)

Nice rather short tour. Everything ok here. We have not consciously counted the number of rappels, but were certainly more than 10 (traduction alternative)

2023-06-09 | Horst Lambauer | ★★★★★ | 📖★★★★ | 🚪★★★ | 🌊 Haut | 🍏 Terminé

Very beautiful canyon, well combined with Col del Pes and Ciorosolin. All the stands in perfect condition. Geologically very interesting because of the beautiful limestone strata. But also such a must-do. Partly very narrow cut and beautiful passages. We were a very good team and were in 1.5h car-car through. (traduction alternative)
