Spécialités:

Matériel:

Résumé: (traduction alternative)
Also known as Rosario or Campanario. Simple canyon used for initiation, you can do the long version of Fariña or take advantage of the short one without needing two vehicles.
It is installed to be able to descend it with water.

Hydrologie:

Accès: (traduction alternative)
We will have to locate in Barranco Hondo (Candelaria)
Location of Barranco Hondo and Moradillas
We will have to leave the return vehicle in Varadero, by the TF1, exit 10 Tabaiba, we pass over the highway and we turn right to El Varadero. About 100m before arriving, on the right, there is a track that goes down to the beach of Barranco Hondo. We will park here.
With the access vehicle we return to the freeway and go up to Barranco Hondo, exit 11 of the freeway. We will take the TF287 until the TF28 that we will take to the right, 300m later we will arrive at casa Fito (with the bridge over the Barranco Hondo a few meters away), we continue 200m more, after a little curve to the right we have a curve to the left, between both places to park on the right.
For access to the short option (Rosario) park next to the highway bridge, there is a service road where you can park.

Approche: (traduction alternative)
For the long option, from the left curve there is a track on the right that goes down to the high tension tower, surrounds it and goes to the riverbed, disappears and we follow where we can go down more comfortably.
For the short option, from the service road of the highway, after 100m we pass the fence and continue along the top of the riverbed until we can descend.

Tour: (traduction alternative)
See mole

Retour: (traduction alternative)
Arriving at the town of Varadero we will exit to the right to the place where we have parked...
