Conditions are generally good. Both slides and jumps are doable. It's very pleasant to hike here in the fall when there are no tourists. (traduction alternative)

Ascent as part of the 2026 gorge guide training. All anchors in very good condition, fixed ropes all new, generally secured above average due to commercial use by many providers. (traduction alternative)

Heavily commercial canyons, but the beaches are absolutely top. All easily accessible and in very good condition. (traduction alternative)
