Résumé: (traduction alternative) Downclimbing and pool hopping in an attractive environment		
Hydrologie:		
Accès: (traduction alternative) Coming from Ajaccio we head for Porto. Before the bridge over the Rivière de Porto we stay right on the D84 direction Evisa. After 6.1 km (from the bridge) we turn left onto the D124 in the direction of Ota. 2.1 km further on we cross a bridge and park our car a few meters further on.		
Approche: (traduction alternative) Contrary to other descriptions, we take the path immediately on the orographic right side of the stream Lonca. This goes up over a ridge away from the stream on the left and meets the path that is described elsewhere as access. Continue on this path until you reach the entry.		
Tour: (traduction alternative) Downclimbing and jumping in the pools, see photos You can also get out earlier on the path to the right of the stream, e.g. at the former water drainage.		
Retour: (traduction alternative) Before the bridge right out to the car

Very nice river walk with a few repeatable jumps and fun slides. No rope required. (traduction alternative)
