Résumé: (traduction alternative)
Short rappel canyon with possible jumps. Also run commercially.

Hydrologie:

Accès: (traduction alternative)
From Budva, follow the road for just under 6 km to Krapina.

Approche: (traduction alternative)
At the first bridge you reach the stream, which you initially follow through the forest.

Tour: (traduction alternative)
From the bridge you can easily reach the stream, which immediately flows into the main stream. Follow this in the forest. A first rappel soon follows on the first side and from here it becomes clearer and more interesting.

Retour: (traduction alternative)
Orographic left is a well-marked path, which you follow to the road and then back to the car.

All anchors are in place and in very good condition. No water pressure while rappelling. There is plenty of water in the four large pools, and a few jumps are possible. The exit on the left is clearly visible. Times as listed; overall, a nice tour. (traduction alternative)
