Tour: (traduction alternative) Not as incised as the lower part, therefore less susceptible to a lot of water. Often wood behind the waterfalls. The beautiful parts are interrupted by some walking passages. But they are definitely fun.		
Retour: (traduction alternative) At the exit of the canyon, climb out to the left and return to the car.

2025-06-29 Silvan ★★ ★ 📖 ★★ 🪚 ★★ 🌊 Haut 👍 Terminé As the lower part (Inferiore) unfortunately still has too much water at the moment, we did the upper parts. A few jumps were possible, but the 12 m jump was covered in gravel. The siphon at the exit is completely blocked and has built up into a pool. (traduction alternative)
