Short rappel canyon with fun potential

**Idrologia:**

**Accesso:** (traduzione alternativa)
We leave the A12 (fribourg - Vevey) via the Bulle exit, bypass the city to the west and set course for the Jaun pass. At the hamlet of Im Fang we turn right, cross the Jaunbach and head for Schänis. 2.8 km after crossing the stream we come to a hairpin bend to the right and park our car here (for the approach see Google aerial photo in the photo gallery).

**Avvicinamento:** (traduzione alternativa)
To the entry would be 1.5 km on the road. From the car a few meters up the road, then left a shortcut trail that leads back to the road. The road walks towards the canyon rim. There are 2 tunnels. At the exit of the 2nd tunnel left down into the streambed.

**Giro:** (traduzione alternativa)
12 rappel, see topographic view, some slides, nice double step at the exit. Still a few meters downstream, then exit to the left.

**Ritorno:** (traduzione alternativa)
Left up to the car in the hairpin bend.
