Here we follow the D21 in an easterly direction for a few km and then turn onto the D53 towards Chaley. Before reaching the village of Chaley, turn right down to the Albarine. Here we park the car at a place designated for canyoning.

Avvicinamento: (traduzione alternativa)
Take the D 53 to the village and turn left uphill at the first houses. The path ascends on the orographic right side of the slope. Where you reach the water (610 m above sea level) on a level surface, this was the usual entry point. Now take the path on the right to the dam and pipe culvert and enter there.

Giro: (traduzione alternativa)
Varied water hike, also well suited for beginners and for experienced Canyonisti well to combine with the nearby Charabotte.

Ritorno: (traduzione alternativa)
After the 5 m slide (which can be bypassed on the left) and a final optional jump (6 m), head out to the right and along the pipeline towards the village until you reach the access path on the right.

Automatisch importiert von Descente-Canyon.com für Canyon Chaley Rien à signaler. Très joli canyon sans difficulté particulière. Idéal pour initiation et enfants. Pas de groupe en pleine semaine. Bien respecter les consignes des différents arrêtés pour le respect du village. (Quelle: https://www.descente-canyon.com/canyoning/canyon-debit/2169/observations.html)

Automatisch importiert von Descente-Canyon.com für Canyon Chaley Découverte avec les enfants, eux ont adoré le canyon et les papas les espèces locales qui se prélassaient à poil sur les rochers ;-) Je pense qu'il est sous-côté car bien que court et facile il est absolument splendide et très varié.
