Accesso: (traduzione alternativa)
From Huesca, take the A23 north towards Sabinanigo, Jaca. After 20 km, turn off to Arguis, pass through the village and then eastward to Belsué. Continue towards Nocito, passing the turnoff to the largely abandoned village of Lusera. About 1 km further on, after a bend to the left, you will see the canyon exit with smaller waterfalls on the right. Park the car here (if necessary the lower one). With the second vehicle, drive up a few serpentines to the iron barrier (usually open). Park the car in front of the barrier.

Avvicinamento: (traduzione alternativa)
If you have only one vehicle available, follow the marked footpath to the streambed and beyond along the slope steadily uphill until about 50 m before reaching the road you can go down southwards on a path to the Flumen. This path is also taken when coming from the vehicle parked above.
