Automatisch importiert von Descente-Canyon.com für Canyon Pissarde (partie aval) Top, attention le troisième relais de la grande cascade, les plaquettes bougent, si quelqu'un peut ramener une clé pour revisser. Enchaîné avec la partie haute, quelqu'un aurait le tracé pour rejoindre le canyon, pour faire la partie basse uniquement ? Automatisch importiert von Descente-Canyon.com für Canyon Pissarde (partie aval) Si quelqu'un a une clef pour resserrer le goujon de gauche du dernier relais de la grande verticale, la clef de 17 ne suffit pas, il faut un cran plus gros. Merci ! (Quelle: <https://www.descente-canyon.com/canyoning/canyon-debit/25/observations.html>)
