Specialità:

Attrezzatura:

Sintesi: (traduzione alternativa)
Beautiful channel that we can alternatively use to access the Olvido ravine. A small ridge on which we will have to mount a handrail to secure ourselves (it has 4 plates) will give us access to the channel.

Idrologia:

Accesso: (traduzione alternativa)
We must reach the Rincón de las Mermeladas or Rincón del Olvido, in the port of Confrides.
By the A7 exit Alcoy and CV70 to Benilloba, we will pass Benilloba and Benasau to reach the port of Confrides, soon we arrived at the sale of El Rincón.
If we go from Benidorm, we also take the CV70 (Polop and La Nucia), until we pass Confrides and arrive at the inn.
Location of parking lots and ravines
From the inn, if we go towards Confrides, shortly (250m) we have a small road on the left by which we enter and 200m later there is a track on the left. This would be the lower parking or return if we do the Bco Olvido.
Before the sale, almost in the port, we have a track that goes up the mountain around the ridges and accessing the back, reaching a deposit in a left curve, there is a track to the right by which we will enter with views of the Comptador on the right. Just at the pass we can park at the foot of the peak.

Avvicinamento: (traduzione alternativa)
access to Mika, Olvido and Cova Pinar boulders
From the upper parking there is a path that leads to the pass of Comptador or to the head of Olvido, you can not miss it.
From the lower parking, we will continue walking along the track that climbs to the pass, soon the track becomes a path and, zigzagging, leaves us in the same pass.

Giro: (traduzione alternativa)
Just at the col begins the ridge to the west with 4 sheets to mount a handrail. It is not necessary but it can be useful for belaying and/or practicing.
When we leave the ridge we will have a small dexterity with 1 spit in case we want to belay and immediately the first rappel. From here it is a non-stop rappel.
Be very careful with the stone that is very loose and we can throw pebbles down.

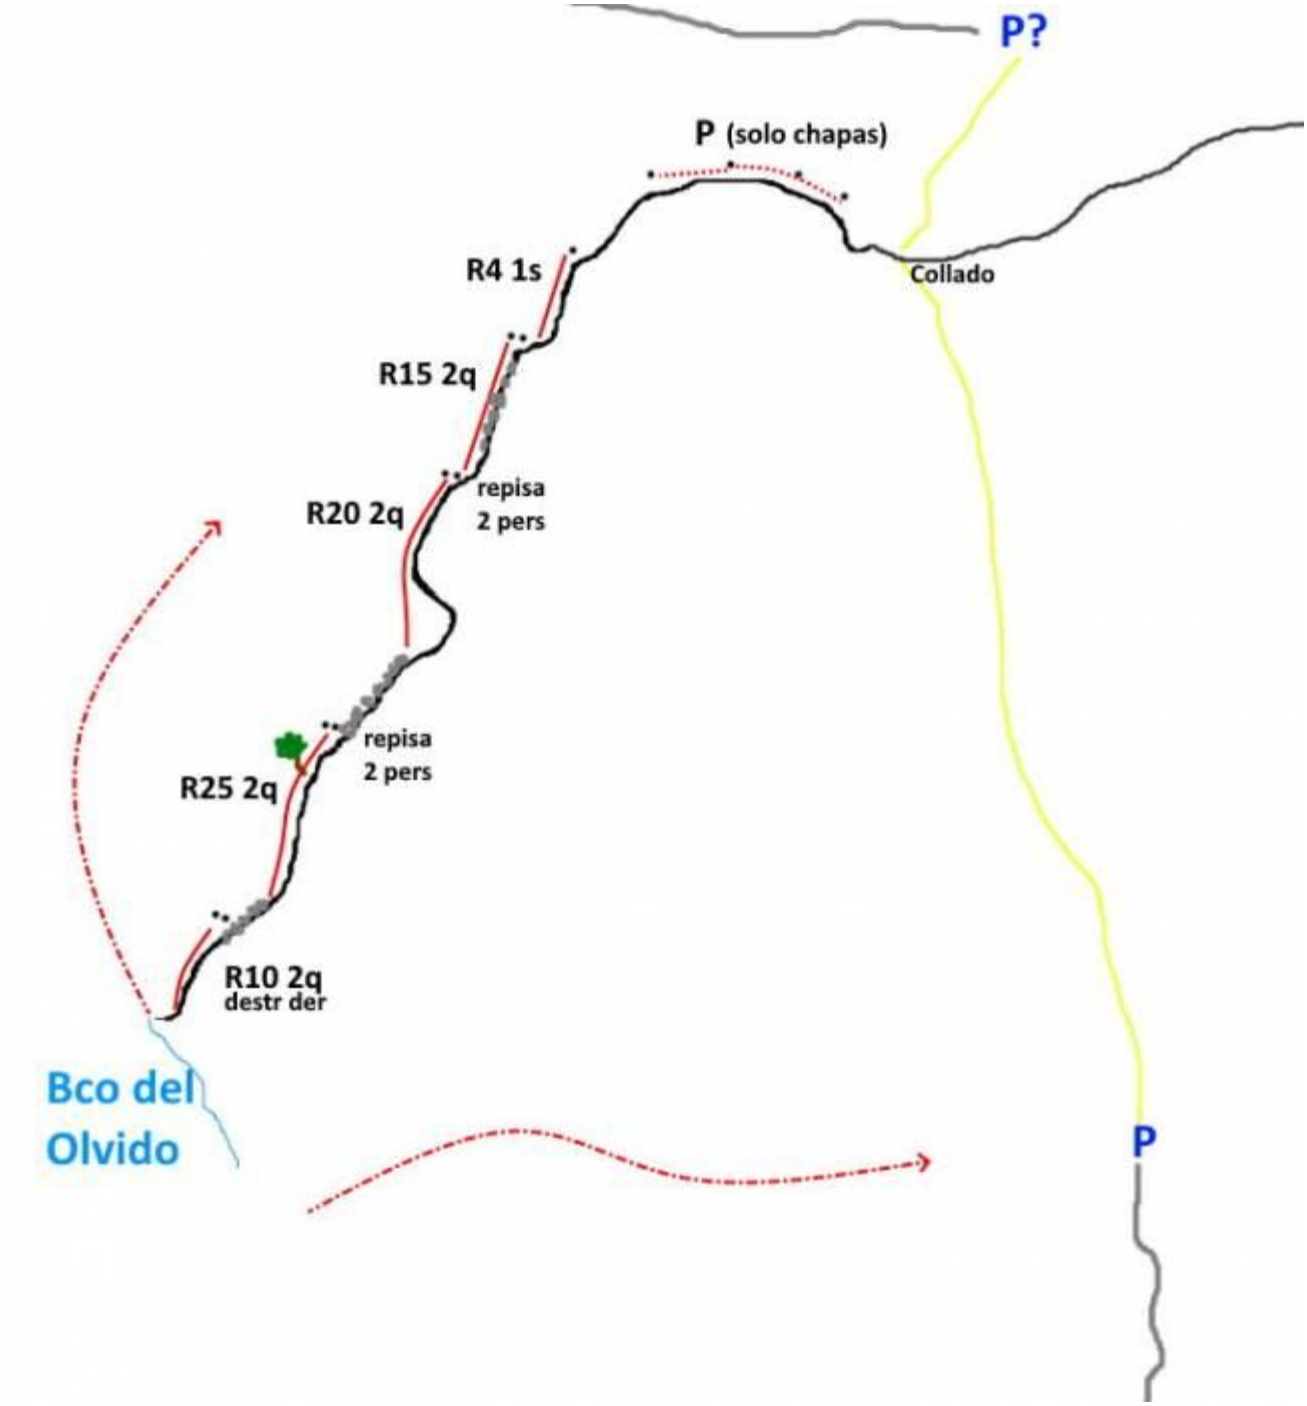

Ritorno: (traduzione alternativa)
It leaves us at the head of Bco Olvido, we can do it or go right on the path that surrounds the entire ridge to the upper parking lot or by the same path to climb to the pass and undo the way up.
