Accesso: (traduzione alternativa) From Annecy on the N 508 along the southwest shore of Lac d'Annecy. After 19 km, the east bank road comes from the left (northeast) at the level of the village of Doussard, located slightly south of the N 508. 3.5 km after this junction of the east bank road, we turn left onto the D 42 in the direction of Montmin, Col de la Forclaz. We pass through the village of Vessone, at the end of the village we cross the Montmin and drive in hairpin bends upwards on the D 42. At the 1st left-hand hairpin bend we park our vehicle in the parking lot on the right-hand side of the road (sanitary facilities).		
Avvicinamento: (traduzione alternativa) We now walk along the road for about 15 min. until we reach a wayside shrine, which is fenced with iron bars. At the wayside shrine former parking lot, but now no parking; according to the police also next to the roadway. Here a partially rope-secured path down to the stream. About 400m before reaching the wayside shrine, we see a clear trail off to the right of the guardrail. It is mainly used by commercial operators and shortens the tour by about two thirds (see wikiloc track).		
Giro: (traduzione alternativa) A lot of small steps for jumping, slides and downclimb. Key point is the C 10, where you have to cross a waterfall curtain.		
Ritorno: (traduzione alternativa) After the canyon exit, follow the trail signs out to the right and up to the lower parking area on the road (see wikiloc track)

Automatisch importiert von Descente-Canyon.com für Canyon Montmin La fin du canyon a été dégradé par des personnes se prenant pour des Néandertaliens en exposant leur goût pour les peintures rupestres nauséabondes sur les roches du cours d'eau. Sinon beau canyon école et ludique! (Quelle: <https://www.descente-canyon.com/canyoning/canyon-debit/2142/observations.html>)

Automatisch importiert von Descente-Canyon.com für Canyon Montmin !\ Veuillez à bien se garer sur les parkings (du haut et du bas) pour laisser un maximum de places, il y a beaucoup de fréquentation.
