Sintesi: (traduzione alternativa) The canyoning sections are only short, but very varied. Rewarding as a dessert to the Maor. The correct name is Rui, sometimes referred to as Terche or Grotta Azzurra. The local authority actively points out that canyoning is prohibited here. Please stick to it! https://borgovalbelluna.trasparenza-valutazione-merito.it		
Idrologia:		
Accesso: (traduzione alternativa) From Belluno on the SP 1 over the Piave river in a southwesterly direction, past Limana and Trichiana to Mel (16.5 km). Pass through Mel and continue for 1.8 km on the SP 1 towards Feltre. Then turn left to Villa di Villa, continue to Tiago. Parking exit: at the end of Tiago take the downhill road and park on the left after crossing a small stream. In 2021 this was still allowed. The former parking lot by the bridge over the creek is now closed off. Parking entry: At the end of Tiago take the narrow road to the right (Rui - Colade). Follow this road for about 3 km. Park at a water basin on the left. If you cross the Rui you have gone too far.		
Avvicinamento: (traduzione alternativa) Backtrack a bit along the road and descend to the right via a forest path to the stream (clear tracks). Hike in the shallow gravel bed to the beginning of the gorge.		
Giro: (traduzione alternativa) From the right about 22m rappel over the scree barrier, then several waterfalls that are jumpable and slippable after control (4m, 8m, 6m) in narrow gorge. This part ends in a beautiful rock basin with natural bridge, the Grotta Azzurra. Afterwards, a section of hiking in an open canyon before another section of canyons before the road bridge.		
Ritorno: (traduzione alternativa) Either through the streambed or orographic left across the trail to the road and left up to the car. Do not exit to the right to the house - private property!

2nd step blocked with wood can be overcome with an 8mm anchor at the top right. 2nd step to the Grotta Azzurra rockfall, where you can get through below...That's why the canyon is apparently forbidden!!!! Only worthwhile after Maor... (traduzione alternativa)
