Automatisch importiert von Descente-Canyon.com für Canyon Lavures Canyon bien glissant. La vasque d'arrivée d'une c6 est blindée de branches traîtres qui cherchent à empaler l'innocent canyonneur. (Quelle: <https://www.descente-canyon.com/canyoning/canyon-debit/2696/observations.html>)

Automatisch importiert von Descente-Canyon.com für Canyon Lavures 4° au départ, les pluies de la semaine ont fait du bien. Attention aux chasseurs, panneau au départ, croisés au moment de bifurquer dans le canyon. (Quelle: <https://www.descente-canyon.com/canyoning/canyon-debit/2696/observations.html>)

Automatisch importiert von Descente-Canyon.com für Canyon Lavures The path can be easy to miss, stick to the trail in OSM for the beginning, don't go too far right. There were multiple trees in the canyon. Be mindful to not get your rope stuck and on some down climbs. (Quelle: <https://www.descente-canyon.com/canyoning/canyon-debit/2696/observations.html>)

2025-09-21 | System User | |📖|📌|🌊 Basso | 🍀 Completato
Automatisch importiert von Descente-Canyon.com für Canyon Lavures le ruisseau est sec au départ mais son affluent rive gauche est en petit filet d'eau. Au fil de la descente et avec l'aide de la pluie, on atteint presque le DC-. L'approche est assez bien marquée la plupart du temps, pas de soucis (Quelle: <https://www.descente-canyon.com/canyoning/canyon-debit/2696/observations.html>)
