Transporto: Auto necessaria	**Tipo di roccia:**	**Area di ingresso:** km²
Stagione:	**Orientamento:** Est	**Tempo migliore:**
Valutazione: ☆ 4 (1)	**Info:** ★ 2 (1)	**Belay:** ★ 3 (1)

Specialità:

Attrezzatura:
Corde: 1x30m+1x25m

Sintesi: (traduzione alternativa)
Canyon cut into the rock, dries out towards summer, longer return route

Idrologia:

Accesso: (traduzione alternativa)
see approach from Annecy, as well as implementation, in google maps under links

Avvicinamento: (traduzione alternativa)
From the bend in the road down into the stream

Giro: (traduzione alternativa)
see photo album and video under Links

Ritorno: (traduzione alternativa)
After the exit of the gorge on the bank down to the dirt road, first to the left, later to the right of the stream. On the field path, turn right to the road and then downhill on this road to Beffay to the car below.

We skipped the last three rappels and only completed the first part of the canyon. Surface was very slippery and plenty of anchorpoints are a bit futher away so make sure you're comfortable with (multipoint) traverse lines. One of them is a free hanging one. Shout out to the two canyoneers from La Clusaz that told us the slide was safe to use! Impressed with your speed.
