<b>Specialità:</b>		
<b>Attrezzatura:</b> Corde: 1x40m		
<b>Sintesi:</b> (traduzione alternativa) Rappel canyon, also suitable for beginners. Commercially accessible - best anchors and steel rope traverses.		
<b>Idrologia:</b>		
<b>Accesso:</b> (traduzione alternativa) We leave the A-9 (Perpignan-Barcelona) at the Le Boulou exit (49 km before the French-Spanish border). Take the D-115 for 6.8 km up the Tech valley to Le Pont de Ceret. We take the Boulevard Simon Battle ring road to the Place de la Liberté in the southern part of the town center. At the western end of the square, we take Rue Des Evadées de France in a southerly direction, turn left after 60 m onto Rue Fontaine Daudet and then left again onto Route Du Balcon de Ceret/Route de Jean Caball. We now drive uphill, come to a hairpin bend with a viewpoint and park our car here.		
<b>Avvicinamento:</b> (traduzione alternativa) We continue along the road for about 200 m and then turn left onto a path that runs along the edge of an open water pipe. We follow it for less than 10 minutes, then turn away from the canal and descend on clear tracks to the left down to the streambed.		
<b>Giro:</b> (traduzione alternativa) First hiking in the stream (with slides), then an attractive narrow section at the exit, ending with the "Cascade/Salt de Baoussous".		
<b>Ritorno:</b> (traduzione alternativa) Now follow the path on the right bank downhill for about 70 m, then cross the streambed to the left. Follow the path until you reach a small rock face, then keep left and follow the clearly marked tracks up to the road where the car is parked. We reach it about 100 m below the car.

Automatisch importiert von Descente-Canyon.com für Canyon Baoussous Tous les canyons du Vallespir et Haut-Vallespir sont en crue depuis hier. Beaucoup d'eau cette année ! Les canyon de faible débit vont être bien cette année (le Salt del Fito, le nouveau grand parcours du Clot del Ballo et l'Estret du Pla d'Amigo rééquipé en Espagne, Pallol, Can Madern en France..) Everything tip top. Quite slippery at this time of year. Exit time for two was more like 20 min. We were also a bit faster in the canyon. (traduzione alternativa)
