The four of us hiked up from the parking lot in 20 minutes and made our way through the canyon in 45 minutes. Very good grip. Anchor points in good condition. Water level very low. (traduzione alternativa)

We took an alternate route because there was too much water in the planned Zammer Loch. Everything was fine—great setup, lots of boulders. (traduzione alternativa)

A very beautiful canyon; all sections were in good condition. We turned back during the third-to-last rappel due to rising water levels and rockfall in the stream. (traduzione alternativa)
