Automatisch importiert von Descente-Canyon.com für Canyon Agro Beautiful canyon with a lot of nice pools and swimmers. Some passages might get tricky with higher water flow. Not recommended for beginners - and bring a drill/perfo to add more anchors. (Quelle: https://www.descente-canyon.com/canyoning/canyon-debit/23267/observations.html)

Automatisch importiert von Descente-Canyon.com für Canyon Agro Nice tour. We placed 6 bolts, but you could easily place more! Pincascia had a flow rate of 350 liters. A comfortable water level for this gorge. (Quelle: https://www.descente-canyon.com/canyoning/canyon-debit/23267/observations.html)

Cool thing, if it were less remote it would certainly be one of the classics. (traduzione alternativa)
