Automatisch importiert von Descente-Canyon.com für Canyon Formiga Toujours un très joli canyon qui possède tous les ingrédients d'une descente réussie. Cependant, le débit devient faible... (Quelle: <https://www.descente-canyon.com/canyoning/canyon-debit/20798/observations.html>)

Automatisch importiert von Descente-Canyon.com für Canyon Formiga Très belle descente, toujours. Du monde, parking plein. Tout se saute encore (1er rappel: sauté ramassé) Survolé par un Chinook de l'armée ???????? et suivi dans l'eau par un entraînement du Groupe d'intervention en Milieu Périlleux de la Guardia Civil. Automatisch importiert von Descente-Canyon.com für Canyon Formiga Départ matinal, vu personne à part une chèvre ibérique. Le débit est 20 à 30 cm au début du débit normal, les cascades bien présentes. Même si tout passe bien ça justifie dans mon expérience de ce canyon un classement en gros débit. Automatisch importiert von Descente-Canyon.com für Canyon Formiga Partis plus tard pour éviter les groupes guides mais c'était semble t il le canyon du Formiga aujourd'hui....Finalement mis à part l'attente au départ pour respecter les temps d'intervalle, la descente a bien déroulé ensuite. Tout passe bien, les siphons et toboggans. (Quelle: <https://www.descente-canyon.com/canyoning/canyon-debit/20798/observations.html>)
