Sintesi: (traduzione alternativa) Grippy limestone; short open canyon; multiple exits; no high rappels; small catchment area approx. (4Km ²); clean water.		
Idrologia:		
Accesso: (traduzione alternativa) Coming from Villach, drive into the Drautal valley as far as Fellbach --> shortly before the end of the village, a forest road goes up into the forest on the left --> from the beginning of the forest road, still on the valley floor, there is now a forest road no driving sign, but I don't think this has been officially erected --> after a group of houses the road forks --> continue left to the bridge --> park on the right side (few parking spaces).		
Avvicinamento: (traduzione alternativa) Pass the bridge on the right (hiking trail) --> you will pass a water level measuring station (inlet in the lower part of the canyon) --> continue up the trail until you reach the forest road --> then follow the forest road up to 980Hm (bridge over stream) --> from the forest road you have several opportunities to look into the canyon.		
Giro: (traduzione alternativa) After a short walking passages and small slides follow several small steps which can be partly rappelled outside of the water flow --> arrived at the weir you have an approx. 10m rappel point in a deep pool --> after the weir there are a few small mostly unproblematic rappel steps (slides) --> the canyon, which is suitable for beginners, is very open and at higher water levels still well doable --> in addition there is the possibility to get off almost in the entire canyon course on the forest road.		
Ritorno: (traduzione alternativa) After the last step and a short walking passages in the stream, you reach the forest road on the right and return to the parking lot in a short time.

Once again after many years. Had my 9 year old son with me for the first time today. All stands OK. At the bottom of the valley in Fellbach, at the ascent there is a no driving sign on the forest road, I don't think it's official, but I drove up anyway. I also met people up there, nobody meant anything, just greeted them friendly. (traduzione alternativa)
