Short beginner canyon, very open, crystal clear, greenish pools, ideal also for children! Only 2 short rappels (2 x 8m) otherwise some small slides and jumps, in summer usually very warm water (swimsuit walk!). At the 2nd rappel the spit is missing, but you can also rappel over a tree next to it.

Accesso: (traduzione alternativa)
The Steinbachgraben is located in the Weissenbach valley between Bad Ischl and Attersee. Coming from the Attersee, leave the car in a parking lot shortly after the narrow passage (gorge) of the Weissenbach.

Avvicinamento: (traduzione alternativa)
From the parking lot, walk 200 m along the road downstream and then follow the forest road that turns sharply left. After about 10 min, at the first possibility, follow a small path down to the stream.

After Devils Bathtube we did this canyon in pairs. Can be combined very well. Anchorages mostly only simply secured. Nice canyon for beginners. For access, you can also take a well-trodden path through the forest right next to the bridge at the exit until you reach the forest path of the description. This saves a lot of time and walking.
