Stands in good condition. Some jumps possible. The slide is certainly a highlight (you can climb back here and also jump) - we got off before the slide on the right. Tour bridge to slide approx. 1h, return approx. 20min.

All stands tip top. If you do not like exposed hanging stands, rather not recommended (the 4th stand is reached by spreading step. Best to send the tallest of the group ahead). Otherwise worthwhile completion of the Integral. Doing only the Inf., in my opinion, does not pay off or one misses the more beautiful places of Med. and Sup.
