From the parking lot, follow the road southwards for a few meters to the bridge. Before the bridge, take the footpath to the right, initially along the stream, to the bridge over the Cholschlagerbach. Either get in here (Baumgartner, Brunner, Betrisey) or walk up the eastern bank a little further and then enter the stream at a suitable point.

A leisurely hike with plenty of places to get off the trail. Unfortunately, swimming is currently prohibited in Lake Chapfensee near the parking entry. (traduzione alternativa)

Automatisch importiert von Schlucht.ch für Canyon Cholschlagerbach, Wasserstand: "Mittel" Verankerungen: "Ok" Alle 3 Abschnitte gemacht. Rutschig. Viel Holz, v.a. im mittleren Abschnitt. Eher etwas für Abenteuerlustige. (Quelle: https://schlucht.ch/schluchten-der-schweiz-liste/1043-cholschlagerbach)

Everything's fine—thanks to the thunderstorm the day before, the water level is good. Cool features for kids (traduzione alternativa)

Anchors bent in places and unusually placed, water temperature 7 degrees. Problem-free trip. Very nice to look at with the colorful foliage at the moment. (traduzione alternativa)

Very scenic canyon, with the moss-covered red rocks. Looks bombastic. Did the first and second part. With the high water level, the rappel, which was almost exclusively in the water, was a cold challenge. We were unable to inform the operator of the weir. The number in the description (NR III) was incorrect and no one answered the emergency number. (traduzione alternativa)
