Accesso: (traduzione alternativa)
From the Annecy - Chambery highway (A 41/E 712), take the Aix-les-Bains Nord/Gresy-sur-Aix exit onto the D 911 and head (initially northeast) towards Lescheraines, Chatelard for 20 km, then (before Lescheraines) turn left onto the D 912 towards Col de Leschaux. After 1.3 km, turn right onto the D 61a. Park your car at the junction.

Avvicinamento: (traduzione alternativa)
From the road junction head south down a path to the Pont du Diable (information boards), cross it and enter a little above the orographic left bank.

Giro: (traduzione alternativa)
Short, but very rewarding. Several opportunities for nice jumps. A narrow chute sometimes blocked with wood. Can be easily connected to the nearby repo reservoir.

Ritorno: (traduzione alternativa)
After the narrow section, go right up to the bridge and take the access path back to the car.

Short, but very nice! The narrow section was easy to downclimb at this water level. Unfortunately, not all the pools had enough depth for jumping. The municipality asks that you use the two alternative parking lots (instead of the parking lot right in the village on the main street). (traduzione alternativa)
