Sintesi: (traduzione alternativa)
Fun canyon with smaller rappels, also suitable for beginners and children. It is an absolute highlight for children. It is very varied.

Idrologia:

Accesso: (traduzione alternativa)
From Nice on the N 202 along the Var river for 32 km northwards. Then we turn off into the Vallée de Tinée, driving along the M 2205 in the valley towards La Tour sur Tinée. After 3.4 km from N 202, you can see the mouth of the Cramassouri from the opposite side of the river. Park the lower car here.
Continue with the second car for 1.2 km on the M 2205, then turn right onto the M 32 towards La Tour. Continue uphill for almost 3 km until you reach a hairpin bend. Park the second car there.

Avvicinamento: (traduzione alternativa)
We now follow the newly created path, starting about 200m before (below) the hairpin bend, down to Cramassouri.
Alternatively - with only one car - you can also reach the entry from the parking lot at the exit via a beautifully laid out path in about 30 minutes. You cross the Tinée above the Cramassouri tributary. A path begins there and joins the access road a few 100m below the parking entry.

Giro: (traduzione alternativa)
Many slides in an increasingly narrow canyon. Jumps also possible. Highlight a 10m slide at the exit of the tour.

Ritorno: (traduzione alternativa)
After reaching the Tinée through the river and beyond up to the car - or back to the parking entry on the path described at the access.

Automatisch importiert von Descente-Canyon.com für Canyon Cramassouri Très bien pour de l'initiation avec des enfants. Fait sans navette. Il faut aller chercher le chemin en remontant la tinée sur la droite (du coup rive gauche de la tinée) une bonne centaine de mètres.
