Accesso: (traduzione alternativa)
see google maps link under "Links"

Avvicinamento: (traduzione alternativa)
At the exit of the upper parking lot, a trail secured with fixed ropes leads into the canyon.
Alternatively, you can hike up from the “alternative parking lot” at the hairpin curve in 15 minutes. A small path starts to the left of the green electrical box.

Giro: (traduzione alternativa)
In some places, you'll need to rappel down the waterfall.
A rope system can be set up at several spots, so it's a good idea to bring extra ropes.

Ritorno: (traduzione alternativa)
Up the iron ladders on the embankment and to the road in the left-hand serpentine; instead of moving, it is better for one person to wait here with all the luggage and the other to fetch the car.

Automatisch importiert von Descente-Canyon.com für Canyon Pussy (1ère partie) Magnifique découverte. Ne faire que la 1ere partie serait une erreur carLa grande cascade edt très esthétique. 1h35 pour l intégrale. Retour par le chemin en rg en sortie du canyon, peu visible au départ, puis excellent jusqu au village. Équipements largement satisfaisant (Quelle: https://www.descente-canyon.com/canyoning/canyon-debit/2130/observations.html)

Quite busy (two groups ahead of us) and the resulting wait times. Otherwise, the water level was easy to navigate with no problems. (traduzione alternativa)
